

My Summit Adventures Preschool Student and Parent Manual

Our Mission

My Summit Adventure's Preschool mission is to provide a rigorous educational environment where children learn logical reasoning, critical thinking, and creative play. Students will learn to assess, question, and seek connections in both the environment and academics. We teach children to find happiness through achievement. We build a strong foundation that develops year after year to help ensure a student's future success. My Summit Adventure's Preschool faculty recognizes and addresses individual learning styles, enabling them to teach the academic program in dynamic and meaningful ways. My Summit Adventure's Preschool combines academics and play through daily play centers that incorporate math, language arts, and social interaction.

Our Vision

We aim to create a safe, nurturing, and educational environment where preschoolers learn valuable life skills, develop character, make new friends, and explore new interests, preparing them to be lifelong learners. We use current best practices that promote hands-on, engaging activities where preschoolers learn through their play.

Our Curriculum

Our Daily curriculum includes:

- Letter Recognition
- Phonics
- Number Recognition
- Social and Emotional Skills
- Fine Motor Building
- Play based Learning Centers
- Large Motor Skills
- Music and Dancing
- Art
- Language Arts
- Fine Arts
- Health Education
- Lifelong Learning Practices
- Mathematics
- Physical Education
- Science
- Social Studies

We use the Utah State Board of Education's Preschool Core Standards, Science-Based Preschool Curriculums, preschool best practices, and hands-on learning approaches to build our curriculum.

About My Summit Adventure's Preschool

My Summit Adventure's Preschool is for children ages 3 to 5. Students entering the 3-year-old class must be 3 by September 1 of the enrolling year. Students entering the 4-year-old class must be 4 by September 1 of the enrolling year. At My Summit Adventure's Preschool, we teach phonics, reading, math, music, science, geography, problem solving, art, physical education, and social skills. Concepts are taught through music, art, manipulatives, play-based learning centers, and other forms of self-expression to foster discovery and learning.

Enrollment at My Summit Adventure's Preschool is on a first-come, first-served basis. The date and time of the submitted application, along with the registration fee, will be noted to help us create our class lists.

Class sizes are targeted at:

- 3-Year-Old Classes: 16 students per class with 2 highly qualified teachers.
- 4-Year-Old Classes: 18 students per class with 2 highly qualified teachers.

Attendance Policy

Regular, timely, and consistent attendance is essential to the learning process. Families are encouraged to avoid scheduling vacations, doctor's appointments, and other interruptions during school hours.

We do not offer makeup days for absences. If a student misses an extended period, their spot in the class will only be held if tuition is paid and current. If your child will be absent, please email their teacher. Visitors: For the safety and security of our students, visitors must check in at the Elementary Office to receive a "Visitor Badge" to be on campus. To obtain this badge, your name, birthday, and Driver's License number will be required. All adults must wear ID badges while on campus or they will be escorted from the building immediately. Teachers and staff will not permit any visitor or volunteer in the classroom without a "Visitor Badge" from the front office.

Unloading and Loading Schedule

Morning Classes

Drop Off Times: 8:20 AM to 8:30 AM

Pick up times: 11:20 AM to 11:30 AM

Afternoon Classes

Drop Off Times: 12:20 PM to 12:30 PM

Pick Up Times: 3:10 PM to 3:20 PM

Please display your visor card so staff members can recognize your car. If you miss the unloading window, escort your student inside to the preschool class. **STAFF MEMBERS ARE NOT ALLOWED TO UNBUCKLE YOUR CHILD FROM THE VEHICLE.**

***Please do not leave your student unattended. Do not let your student exit your vehicle without staff supervision.**

Loading

Students can be picked up in the loading area from 11:20-11:30 AM for morning classes and 3:10-3:20 PM for afternoon classes. If a parent arrives after these times, students can be picked up inside the preschool class. There will be a \$1 per-minute charge for late pickups.

Parents will receive visor cards at orientation, which are required for pick-up. If you need an additional card, ask your child's teacher. Otherwise, ID may be required when picking up.

Display your visor card in your windshield or passenger window so staff can read it. Do not remove the card until all students are loaded. Staff will be present along the unloading/loading lane.

STAFF MEMBERS CANNOT BUCKLE YOUR CHILD. Always ensure your child is buckled before leaving.

To authorize a different pickup person, update the authorized pickup information on your Brightwheel account. Students will not be released to another adult without written permission.

Draper Campus Drop-Off and Pick-Up Instructions:

- Drop-off occurs at the stairs next to the Summit Academy Gym Building at 8:20 am for morning classes. If you arrive late, For your child's safety, escort him/her to the elementary office and inform them of your child's class. They will contact the teacher to pick them up.
- School begins at 8:20 am. Please do not arrive earlier, as early drop-off is not available.
- Teachers will be outside at 8:20 am. for drop-offs.
- Preschool pick-up is at the stairs by the elementary gym between 11:20 and 11:30 am for morning classes. For afternoon classes, pick-up is from 3:10 to 3:20 pm at the same location.
 - If you arrive late and miss these times, your child must be picked up from the preschool classroom. The late pickup fee is \$1.00 per minute.

Bluffdale Campus Pick Up/Drop Off Instructions

- Drop off is at 8:20 am for our morning (am) classes, and pickup is between 11:20 and 11:30 pm.
- Drop off and pick up for Bluffdale students will occur at the school's main doors. If you miss us, for your child's safety, please walk them into the elementary office. Let the staff know your child attends preschool, and they will call the teacher to pick them up.
- School begins at 8:20 am. Please do not arrive early, as we do not offer early drop-off.
- Teachers will be outside for drop-off at 8:20 am for the morning class.

Independence Campus Pick Up/Drop Off Instructions

- Drop-off for our morning (AM) classes begins at 8:20am, with pickup between 11:20 and 11:30pm.
- Drop-off for the afternoon class is at 12:20PM, and pickup is between 3:10 and 3:20PM.
- For Independence Preschoolers, drop-off and pickup will be at the preschool door located at the north end of the building.
- School starts promptly at 8:20am. Please do not arrive early, as early drop-off is not available.
- Teachers will be outside to receive students at 8:20am for the morning class and at 12:20Pm for the afternoon class.

Dress Code

My Summit Adventures has historically followed a dress code of polo shirts with blue or khaki bottoms to align with the charter school from which we lease space. However, as My Summit Adventures is a separate business, we wish to broaden our dress code to include more options, allowing students to express themselves creatively.

Many of our students have siblings attending the K-6 charter school, and they are still welcome to wear any color polo shirt with blue or khaki pants. However, we are now open to a wider variety of clothing as long as it allows your preschooler to engage freely in preschool activities.

Since our preschool day includes outdoor play, we ask that students wear closed-toe shoes, and sandals should have straps on the back. Also, please remember to have your child wear leggings or tights under skirts and dresses.

Shoes: Students may wear any closed-toe shoes or athletic shoes with non-marking soles that cover the heels.

Backpacks: We recommend all students bring their own backpack daily.

Please label all of your child's belongings. During winter, since we go outside, please send your child with labeled winter clothing. For example, if you send jackets, hats, or mittens (mittens are preferable as gloves can be difficult for small fingers), ensure initials are on each item. Snow boots are allowed, but children should wear them throughout preschool, as changing shoes is too challenging.

Tuition

Each monthly payment is due between the fifth (5th) and tenth (10th) of each month. Tuition paid after the 15th will incur a \$25.00 late fee. Checks should be payable to My Summit Adventure's Preschool. If checks are returned for insufficient funds, they are automatically sent to collections, and the responsible party will be charged the collection agency's applicable fees, in addition to late fees assessed by My Summit Adventure's Preschool.

Payments via credit card, debit card, or auto withdrawal from checking and savings accounts are available through your Brightwheel

account. If such payments are rejected, the responsible party will be charged applicable fees and late fees by My Summit Adventure's Preschool. Failure to pay tuition by the 20th of the month results in automatic forfeiture of the student's spot at the preschool. Monthly automatic withdrawals can be set up through your Brightwheel account.

Registration Fee

A non-refundable \$75 application fee must be paid with each application for 3 and 4-year-old classes, and it is due annually at registration. This fee ensures your child's placement in the chosen class.

Field Trip Registration Fee

Our 4-Year-Old Preschool Classes will go on 2-3 field trips throughout the school year. A non-refundable \$50.00 registration fee for each year is required to cover the costs of these trips.

Withdrawal

Students may be withdrawn from preschool with a 30-day written notice submitted to the Preschool Director. Parents are eligible for a pro-rated refund of any tuition paid in advance beyond the thirty-day notice period.

Toileting

All preschool students must have independent toileting skills. If your child has a toileting accident, a teacher will contact you to either come pick them up or bring a change of clothes. Preschool staff are not permitted to assist with cleaning or changing clothes. Please ensure your child uses the restroom before school to reduce the need for extra bathroom breaks. Also, start your child with a nutritious breakfast each day, as a full stomach supports better learning.

Monthly Calendar & School Website

Each month, our wonderful teachers prepare their own class calendars to assist families. These calendars or newsletters will be distributed through Brightwheel, and teachers may also send a copy home with students.

Transportation & Field Trips

Field trips and off-site activities are planned to enrich children's learning while maintaining the highest standards of safety and supervision.

Transportation

When transportation is required, children will be transported by school bus in accordance with state regulations and safety guidelines. All transportation arrangements are made to always ensure appropriate supervision and child safety.

Field Trip Permissions

Written parent or guardian permission is required for all field trips. Permission forms must be completed and returned prior to the scheduled trip. Children will not be allowed to participate in field trips without signed authorization.

Supervision and Safety Procedures

Children are supervised at all times during field trips. Staff follow established safety procedures, including attendance checks, head counts, and emergency preparedness protocols. Emergency contact information and first aid supplies are carried on all off-site activities.

Chaperone Expectations

Parent or family chaperones may be invited to assist with field trips. All chaperones are required to complete a background check and must follow program expectations, supervision guidelines, and staff directions at all times to ensure a safe and positive experience for all children.

On Field Trip Days, transportation will be provided by a school bus; if the destination is nearby, students will be notified to wear comfortable walking shoes. Field trips are considered a privilege, not a right. My Summit Adventures staff reserve the right to deny a student's participation in off-campus trips if the student does not follow the rules.

Discipline Policy. Student Expectations

Preschool students should show respect to peers and adult leaders by using appropriate language, keeping their hands and feet to themselves, following instructions, and respecting the school environment, including classrooms, the building, and the playground. They are also expected to participate in planned activities, making an effort to join all enrichment activities organized by their teachers. Additionally, students are encouraged to enjoy their time and have as much fun as possible!

Allergies and Medical Conditions

If your preschooler develops any allergy or medical condition, please notify your child's teacher immediately and update their profile on Brightwheel. During registration, you were asked if your child has any allergies or medical conditions; your child's teacher will be informed accordingly. If your student is allergic to nuts or gluten, please send them with a snack daily. A sign indicating the classroom is "Nut Free" will be posted in classrooms with nut allergies. When sending treats to school, please select nut-free options.

Class Celebrations

We have multiple class celebrations and parties; your child's teacher will send home notes with the dates and details. Some upcoming celebrations include:

- Halloween Party
 - Wear costumes to school.
 - Bring a treat for "trick or treat" with preschool friends.
- Balloons over Broadway Parade
- Santa Party
- Gingerbread Party
 - Decorate a gingerbread man.
- Valentine's Party
 - Send valentines and a treat to class.
- Spring Find
 - Send 12 pre-filled plastic eggs.
- End of Year Program - Preschool Graduation

More details will be provided by your child's teacher.

**** All treats must be store-bought and sealed in their original container ****

Super Star and Kudos

Throughout the year, each student will have the opportunity to become the VIK (Very Important Kid) in the class. Your child's teacher will send home additional details—please assist your student in decorating the poster or paper with pictures and memorabilia. The teacher will also send home “kudos” notes periodically to highlight positive behaviors, actions, or goals your child has achieved. Positive Behavior Incentives will be implemented throughout the year.

Picture Day

Picture day will occur once in the Fall and once in the Spring. Notes about picture prices and dates will be sent home with students.

Professional Development Day

The Utah State Board of Education provides professional development sessions for preschool teachers throughout the year. On these training days, preschool will not be held so teachers can attend. We will inform parents of the specific dates as soon as the Utah State Board of Education releases them.

Snacks and Lunch

A snack is provided once during each program session. MSA provides individually sealed snacks that meet program guidelines.

Families of children with strict dietary needs, food allergies, or specific nutritional preferences are encouraged to send an appropriate snack from home to ensure their child's needs are safely met.

Children who are enrolled in a full-day program are required to bring a nutritious lunch from home each day. In accordance with licensing requirements, children who remain at the program all day must be provided with a lunch. MSA does not provide lunch, and lunch must be supplied by the child's family.

If a child scheduled to stay all day arrives without a lunch, a parent or guardian will be contacted and asked to either:

- Bring a lunch to the program, or
- Pick up their child for the remainder of the day.

We appreciate families' cooperation in helping us meet licensing regulations while supporting children's health, safety, and well-being.

Checking Your Preschooler In and Out

For the safety and security of all children, every preschooler must be checked in and checked out using their unique Brightwheel code.

- Upon arrival, a parent or authorized adult must check the child in using the child's assigned Brightwheel code.
- At pick-up, the child must be checked out using the same unique Brightwheel code.

For security reasons, children will not be released unless the Brightwheel check-out process is completed. Staff are not permitted to release a child to any individual who cannot provide the correct Brightwheel code.

This procedure helps ensure accurate attendance records and protects children by always confirming authorized pick-up. We appreciate your cooperation in maintaining a safe and secure environment for our preschool community.

Personal Belongings

To help maintain a safe, organized, and distraction-free learning environment, we ask families to follow the guidelines below regarding items brought from home.

Items from Home

Children should not bring toys from home, except on designated Show-and-Tell days. Any Show and Tell item must:

- Be appropriate for preschool-aged children
- Fit completely inside the child's backpack

Items that do not meet these guidelines may be sent home.

Labeling of Belongings

All personal items brought to school—including backpacks, jackets, water bottles, and lunch containers—must be clearly labeled with the child's name. Labeling helps staff return items promptly and reduces loss.

Toy and Electronic Device Policy

Please do not send electronic devices (including tablets, phones, smart watches, or handheld games) with your preschooler. These items can be easily lost or damaged and are not permitted during the school day.

Lost and Found

Unlabeled or unclaimed items will be placed in the Lost and Found. Lost and Found items are donated once per month. Families are encouraged to check the Lost and Found regularly, as MSA is not responsible for items left behind.

Weather & Outdoor Play

Outdoor play is an important part of our daily schedule and supports children's physical health, social development, and overall well-being. Weather permitting, children will participate in outdoor play each day.

Weather Guidelines

Children will go outside daily unless weather conditions are unsafe or unsuitable. If weather conditions are poor—such as heavy rain, extreme temperatures, poor air quality, or other unsafe conditions—children will participate in indoor recess and movement activities instead.

Sun Safety and Cold Weather

Families are responsible for ensuring children are dressed appropriately for outdoor play.

- During warm weather, children should wear comfortable clothing suitable for active play.
- When the temperature is above 72°F, children will take a water bottle outside to stay hydrated.

- In cooler weather, children must arrive with appropriate cold-weather clothing, such as jackets, hats, and gloves, so they can safely participate in outdoor activities.

Outdoor play decisions are made with children's health and safety as the top priority. Families are encouraged to check daily weather conditions and dress children accordingly.

Water Bottles

Families are asked to send a **labeled water bottle** with their preschooler **each day**. Water bottles will be used throughout the day as needed and will be **sent home daily for cleaning**.

Discipline:

Our staff observes student behavior while considering each child's unique needs and developmental stage. Children learn socially acceptable behaviors, self-control, and respect to prevent incidents. All students are introduced to school rules in an age-appropriate manner. Emotional literacy and conflict resolution are taught at each child's level, promoting independent problem-solving when possible. We also teach students to take full responsibility for their behavior, attitudes, experiences, and lives. When appropriate and necessary, we give cues and reminders about expected behaviors.

Disruptive, disrespectful, or inappropriate behavior is addressed individually. In deciding consequences, teachers and staff consider the context of the behavior, any harm caused, the child's age, and individual circumstances.

When a behavior is inappropriate and a gentle reminder is ineffective, we intervene respectfully to stop the misbehavior. Our goal is to foster appropriate conduct through self-discipline and motivation.

- The child may be redirected to their work.
- The teacher will discuss the issue with the child and promote self-correction.
- The child could be asked to sit beside the teacher or alone for a time to focus.
- They might be asked to work in a different area until ready to rejoin the group.
- If the behavior endangers the child or others, a parent will be contacted to pick up the child.

- The school may decide to seek additional outside support if needed. Repeated misbehavior will lead to a meeting with parents, teachers, and administrators, and a support plan will be developed. If we cannot adequately meet a student's or family's needs, we will ask the family to find an alternate preschool setting.

Behavior Contract (Signed upon Registering)

My Summit Adventure provides an environment that fosters the social and academic skills essential for a successful preschool year. Our teachers are highly trained, and our curriculum is enriched to support this goal. However, we are not equipped to manage challenging behaviors beyond age-appropriate levels or aggressive behaviors. If your child intentionally hurts another child or displays behaviors such as aggression, running from the teacher or classroom, creating unsafe conditions for others, or requires one-on-one support that we cannot provide in our preschool class, the following steps will be taken:

1st incidentParents will be notified by phone

2nd incidentChild will be sent home from Program

3rd incidentAn immediate parent conference will be required A behavior plan will be created

4th incidentChild will no longer be enrolled in My Summit Adventure's.

By signing this contract, you agree to support My Summit Adventure's high academic and behavioral standards and to act as a key partner in helping your child understand acceptable behavior in our Program.

Photo Release

During enrollment, you can request that your child's likeness not be used in public marketing materials. However, you authorize the school to use recordings of school activities involving you or your child for purposes like training teachers, raising awareness, and enhancing programs. Videos and

Slideshows

Videos and slideshows may be shared with you throughout the year. We hope you and your child enjoy watching them. Please keep these items private and refrain from posting them on social media.

Safety Procedures

- Outside doors remain locked at all times.
- All staff are asked to stay alert, watch for unfamiliar individuals, and ask anyone unknown how they can assist.
- Visitors must check in at the front office, sign in, and wear a badge indicating their visitor status.
- Each classroom has an emergency evacuation plan posted, and regular drills are conducted throughout the year.
- An emergency notification system is in place for schoolwide emergencies or unplanned closures.
- Phones are available in every classroom for the office to broadcast schoolwide alerts or for classrooms to contact the office immediately during emergencies.
- Teachers are required to have First Aid and CPR certification.
- At the start of each year, students receive safety lessons, including a school tour and safety guidelines, which are revisited as needed.
- Head counts are periodically conducted, especially during transitions like leaving the playground or returning to class.
- Children check in when using the restroom, and if a child does not return within a reasonable time (based on age), a teacher will check on them. New students are typically accompanied by a teacher.

Treats

Throughout the year, you might be asked to bring treats or food to the classroom. All items must be store-bought and kept in their original, sealed containers.

Birthdays

Birthdays will be celebrated year-round. If your child's birthday is in summer, we will host a ½ birthday celebration. Your child's preschool teacher will provide more details about how birthday celebrations will be arranged.

Illness Policy

If your preschooler is unwell, please keep them at home until they recover. Colds, flu, and other contagious diseases spread quickly in a school setting, so parents are asked to keep children home if they show symptoms. Children exhibiting any active signs of illness will not be admitted to protect their comfort and prevent spreading illness to others.

Pay attention to how your child feels, as changes from normal behavior are key indicators of illness. Trust your instincts.

- **Fever:** If your child has a fever at night, they must stay home the next morning. Because temperatures are lower in the morning, a fever might recur in the afternoon. Wait 24 hours after the fever subsides before returning to school.
- **Upset stomach:** If your child vomits overnight, do not send them to school the next day. Wait 24 hours after vomiting to send your child back.
- **Diarrhea:** With many causes, loose or frequent stools mean your child should stay home until their bowel movements are normal.
- **Cold:** Ensure your child can handle tissues when coughing, sneezing, or blowing their nose, and practice good hand hygiene. They can attend school if they have no fever or discomfort. For severe symptoms like a persistent cough or thick, frequent nasal mucus that disrupts their activity, keep them home to recover.
- **Earache:** Never ignore an earache. Consult a doctor and keep your child home.
- **Strep Throat:** It requires a doctor's visit and medication. They should be on medication at least 24 hours before returning to school.
- **Contagious Conditions:** Conditions such as head lice, scabies, impetigo, chickenpox, strep throat, measles, rubella, mumps, whooping cough, meningitis, and some types of conjunctivitis are contagious and must be properly treated and no longer contagious before returning to school before your child may attend school.

Please inform the school if your child has a contagious condition so other parents can be notified. If your child has been absent due to illness, please assess whether they are well enough to be outside before returning to school. Outdoor activities are part of our program, and we do not have enough staff to supervise students both indoors and outdoors at the same time.

Illness or Injury at School

If a child falls ill at school, a parent or guardian will be contacted and should pick up the child as soon as possible. For minor injuries, first aid will be provided on site. Injuries requiring medical attention, including primary first aid, will be reported via an accident report. Parents will sign this report upon pickup and will be notified immediately if there are concerns about the injury's severity. If parents are unavailable, emergency contacts and the

child's doctors will be contacted. All classroom teachers hold CPR and First Aid certification. Paramedics will be called when needed.

Connecting with the Classroom

We promote open and ongoing communication between home and school. Teachers will use Brightwheel to contact you. Typically, teachers are unable to respond to emails or calls during class because they are focused on students, but they will reply during planning periods. Parents are welcome to contact staff or administration at any time through the Brightwheel app.

Preschool Student Acknowledgements and Agreement Form: (Signed Upon Registration)

I acknowledge that I have read the Preschool Handbook and am aware of the policies and procedures at My Summit Adventures Preschool. These policies include the following key points:

- Children will not be allowed to leave the school with anyone not listed on the emergency contact list or without a visitor card provided by the school.
- Daily snacks are provided by the preschool staff, and parents must disclose any food allergies or dietary needs to the Preschool Director and/or the child's teachers.
- Teachers are not permitted to assist children in the restroom beyond helping with buttons and zipping in the hallway. If adult assistance is needed, parents will be contacted.
- Students can be picked up in the loading area from 11:20-11:30 for AM classes and 3:10-3:20 for PM classes. After these times, students may be picked up in the classroom. A fee of \$1 per minute will be charged for late pick-ups, added to the next month's bill.
- Monthly tuition is due between the 1st and 10th of each month. Checks should be made payable to My Summit Adventures Preschool. A \$25 late fee applies after the 10th, and tuition unpaid by the 20th may result in the student being unable to attend and possibly losing their place.
- To withdraw a student, a 30-day written notice must be submitted to the Preschool Director.
- Parents must provide current immunization records and signed consent and release forms before the student begins classes.
- For safety, drivers must familiarize themselves with loading/unloading procedures and may not exit their vehicle during loading. They should pull over to the left if a child needs help buckling in.
- Teachers are not authorized to buckle students into vehicles.
- My Summit Adventures Preschool reserves the right to decline continued enrollment to any student or parent who is uncooperative or abusive toward staff, administrators, other students, or involved in misconduct such as biting, kicking, spitting, verbal abuse, or violation of the behavior contract.

Media Consent
(Signed Upon Registration)
Student Media Consent and Release Form

Throughout the school year, students may be featured to celebrate their achievements and promote My Summit Adventure's activities, programs, and successes. This includes use of internal and external media such as social media, the district's website, and other platforms.

As the parent or guardian of my student, I give permission to My Summit Adventures, its School Board, agents, employees, and/or school staff to photograph my child and record voice, performances, poses, acts, plays, and appearances. I also grant my child's school the rights to use these images, sounds, and visual representations in any medium—such as print, websites, videos, and social media.

I understand that neither My Summit Adventures nor its representatives will generate any commercial income or profit from these photographs, interviews, or likenesses. I am aware that I will not receive monetary compensation for my child's participation. I also release My Summit Adventures, its School Board, staff, and representatives from any liabilities, whether known or unknown, related to the use of this material.

I understand I can ask questions about this release in writing before signing and that failing to do so will be taken as informed consent to the terms of this release.

Consent, Waiver, and Release of Liability (Signed at Registration)

I hereby give permission for my child to attend My Summit Adventures and to take part in all its activities. I confirm that my child is up to date on all childhood vaccinations. I have informed the staff of My Summit Adventures about any allergies or physical disabilities my child has. I agree to hold harmless My Summit Adventures, its directors, employees, and agents, from any claims arising from injuries or illnesses caused by food allergies or disabilities.

I confirm that my child has health insurance and agree to keep it active during their participation at My Summit Adventures. I understand that My Summit Adventures does not provide health or medical insurance for my child.

I agree to indemnify and hold harmless My Summit Adventures and its staff against claims arising from my child's attendance or activities.

I authorize My Summit Adventures and its staff to provide first aid or emergency medical care to my child, including arranging hospital transportation if necessary. I accept financial responsibility for any medical expenses incurred during this care. This authorization applies to any illness or injury that occurs while my child is on the premises of or in the custody of My Summit Adventures.

I CERTIFY THAT I HAVE READ THE ABOVE AGREEMENT AND AGREE TO THE TERMS THEREOF.
